

Truro Gold Highball - Set Of 2

sku: 118TR32

A perfect combination of crystalline glass, 24k gold, and style, Michael Wainwright USA's 24k gold glass drinkware is contemporary yet timeless. One set includes two glasses, so no one will ever drink alone. Made in one of Europe's oldest glass manufacturers, these make an impressionable gift or an enjoyable self-purchase.

Inspired by walking barefoot on the beaches and golden dunes of Truro, Cape Cod, Michael created The Truro Collection, capturing the timeless shifting of ocean, wind, and sand. This crystalline glass collection features carved details on a polished background, hand-decorated with 24k gold.
