# Incanto Stripe Medium Rectangular Baking Dish

*sku: INC-1161*

*Incanto designs are inspired by Italian art and history. Our baroque dinnerware is inspired by the architectural curves of 17th century Europe, and the ruffle design mimics the waves of the Adriatic Sea. The stripe is reminiscent of the columns of villas along the Brenta river, and the lace was inspired by the lace of Burano Island. The pearl design of this Italian dinnerware set was inspired by the fashions worn during the Renaissance period.*
