

Alabaster Tissue Box

sku: 7.30089

Rich and real, the Alabaster amenities collection is sure to dress up any bathroom vanity or dressing area. Hand hewn by Italian artisans, this beautiful, translucent alabaster originates from a veil in Tuscany which has been quarried by the same family for centuries. The collection consists of a tissue box, amenity box, square plateau and rectangular plateau. As alabaster is a natural product, please be aware that there will always be variations in veining and color. This is to be expected and makes every alabaster product uniquely your own.
