

Duncan Chair Silversmith

sku: 2646

A delicate pale gray woven fabric covers the surface of the chair. The back is channel tufted with inset buttons buried deep within the channels. A tight seat and exterior back make for a clean, comfortable seat. The oiled walnut finished rubberwood legs are capped with solid antique brass sabots on all four legs. The leg detail and shape add that extra level of interest such a beautiful chair requires.

gray Wood Upholstered Chair
