

Ellipse Ebony Bench

sku: AG2.20018

An evocative marriage of golden painted metal (iron), black cowhide leather and black stained wood that allows the natural grain of the wood to still be seen in forms redolent of the upbeat 1920s! Completely on trend for today's mood and style; sensual, provocative, and flirtatious. A sideboard, tables, and bench are beautifully infused with these elements we call the collection Ellipse. A metal flange separates the curved wooden edge with the leather surface/top of the bench.
