

Ellipse Sideboard Ebony

sku: AG2.20017

An evocative marriage of golden painted iron, black cowhide leather and black stained wood that allows the natural grain of the wood to be seen in forms redolent of the upbeat 1920s! Completely on trend for today's mood and style; sensual, provocative, and flirtatious. A sideboard, tables, and bench are beautifully manifested with these elements we call the collection Ellipse. Two doors open to reveal three sections, adjustable shelves, middle four drawers, adjustable levelers. Metal filet separates the curved leather edge from the wood finished surfaces.
