Foret Hurricane

sku: 7.91099

The glass on the Foret collection has a unique finish as a result of a chemical reaction.It has a mercury glass interior that fades in to the snow white textured finish . The base of the pieces is matte antique brass and the rim is adorned with glass garland beads. Decortive use only.

White Aluminum Candle Holder

11.5" L x 10" W x 14.5" H (3.8 lb)

Dust with dry cloth|DISCLAIMER: The branches on our Foret Collection are handcrafted from natural brass material. Since we prefer the brass to remain in its raw form, we have not applied a lacquer coating which would prevent or stop the natural oxidization process. Therefore, naturally occurring oxidization forming on the brass braising areas which further enhances the patina and natural look of each piece will occur.

In stock items will be shipped via ground shipping within 3-10 business days of placing your order. Learn about our Shipping Policy here.
