sku: 8.81167

Unique and practical are not words you often hear together...but they suit Global Views' Inner Light Lamp to a T! The lamp features a beautiful antique mercury glass body, a frosted glass inner cylinder, and a three-way switch that allows for multiple uses. One click for the base as a night light, two clicks for the top light, and three for the both the base and top to light. Clean lines and soft design make it a welcome piece to any style of decor.
