

## Iron and Stone Oval Coffee Table

sku: 9.91786

*Udaipur marble and modern, industrial iron come together in a display of strength and beauty. We have taken iron and gave it a unique hammered texture. A luxe gold painted with hand applied antiquing elevates the look and transforms it into something impeccably dynamic! The contrasting natural marble with natural occurring mineral deposits and veining gives an airy feel. With an abundance of surface space, this table is not only gorgeous, but highly functional as well. Sophisticated and chic, the look is truly spectacular. The table's commanding presence makes a lovely focus piece in your home!*
