

Mirror Match Marble Rug

sku: 9.93098

Screen printed bamboo silk rug with motif of mirror matched marble. Marbled rug print is cut at 90 degree angle and then formed together to create a full sheet, make these wonderful marble mirrored appearance joints. If the four quadrants are put together to form a rectangle, the results are stunning with the continuation of the pattern appearing in the center like a Rorschach test pattern. Very unique and 'now' in design and feel.
