

Toile Linen Bedside Chest Gray

sku: 7.20159

Carefully hand-wrapped in fine Belgian linen and topped with layer upon layer of a delicate gray paint glaze, this collection is built of solid white oak and finished with customized antique nickel hardware. A technique that fell out of favor for many years, fabric wrapping furniture is an exacting art that begets pieces crafted in exceptional detail, rendering them an exercise in tactile exploration. The result is a distinctively textured furniture piece that renders a softer feel to interiors while maintaining a touch of historical influence.
