sku: 7.80138

*Natural gray marble and chic industrial iron come together in a way that's super artistic and very functional! Available in two sizes, Studio A Home's Tripod Tables feature hand-forged iron bases and are topped with beautifully polished gray marble. And with the marble's beautiful natural color variations, no two tables are alike. Marble top has perpendicular lines through the stone which may look like cracks or flaws, but are naturally occurring veins in the stone.*
