

Tall House in Alabaster

sku: 7HOUS-TAAL

Inspired by the Monopoly game pieces we all know and love. Our Alabaster collection is unique in how we have combined organic cut pieces of alabaster to create a fresh approach to designing with this beautiful, natural material. Each piece is unique in the way it is puzzled together to make a flat surface. These decorative pieces are perfect for adding a touch of elegance to bathrooms, living rooms, entryways and bedrooms.
