Sierra Spreader Knife in Silver - Set of 4

sku: 6185000

Our Sierra Collection is designed to emphasize the beauty of mixed materials and apply it to pieces built around modern lifestyles. Like the sunset washing down the faces of the Sierra Nevada mountains, the Rainbow Finish inspires you to reflect on the depth and beauty of the finish. Our Frosted Finish echoes this same inspiration but calls to the calm serenity of the cool mountain caps. All of the pieces have a polished brass accent border and the ruggedness is emphasized by the textured handles. Stainless steel at the heart of each piece lends itself to the most carefree use and the finishes add an awe-struck beauty to any setting.
