

Rose 8" Bowl in Snow

sku: 6590015

Julia Knight's Rose Bowls are as beautiful as nature's finest flower in full bloom. Each piece is individually hand-made of sand cast aluminum -which is sculpted, polished and finished with a proprietary blend of enamel mixed with crushed mother of pearl powder that is hand painted to form unique capiz-like swirls. The tiered petals blossom outward to both sculpturally portray the look of a blossoming rose and create a beautiful concave silhouette. This 8" Bowl is the perfect piece for salads or sides! Beautifully mixes and matches with Julia Knight's other floral and leaf silhouettes to create a flourishingly table display! Check out all of our stunning color options!
