

Squirrel Cracker 9.75" Tray in Toffee

sku: 8346030

Most Squirrels prefer to live in trees, but this charming Cracker Tray will be right at home on your tabletop. This rich combination of textured aluminum and Toffee enamel will be the highlight of your home during the Autumn months and will pair perfectly with Julia Knight's Acorn and Oak Leaf bowls, trays & utensils. Did you know that the forgotten acorns from squirrels become oak trees?! Each piece is individually hand-made of sand cast aluminum - which has been sculpted, polished and finished with a proprietary blend of enamel mixed with crushed mother of pearl powder that is hand painted to form unique capiz-like swirls. This adorable Squirrel Cracker Tray can be used for crackers, nuts or candy! Mix and match with other pieces from Julia Knight's Luxe Lodge Collection or pair with pieces from the Florentine or Classic Collections.
