

## Gigel Elm with Black Metal Side Table

*sku: GTAB672MTB*

*Two rectangles, one of metal and one of elm, are simply stacked. Together they are so much more than the sum of their parts! The warm, minimally finished wood shines above its cool metal base, whose strength is belied by the delicacy of the slim geometric frame.*

*Natural Elm and Metal Accent Table*

*Imported*

*Color: Natural*

*Material: Elm and Metal*

*Dimensions: 26" W x 18" D x 28" H (52 lbs.)*
