Love Who You Want Black Cross Dessert Plate by Christian Lacroix

sku: 21124768

Intermingling contemporary and haute couture designs of the house of Christian Lacroix, the new Christian Lacroix Maison - Vista Alegre gift collection is composed of various items representing exuberant and extraordinary personalities, such as Mister Tiger or Doa Jirafa, clearly illustrative of the unique imagination of the French brand.

Inspired by a game created by the French surrealists in the 1920s, where various artists imagined the continuation of a painting not knowing what had been painted previously, the Love Who You Want collection is yet another irresistible youth proposal that combines the best of the two mythical brands.
