

Endangered Lobo Vermelho Decorative Box

sku: 21133438

As part of a Vista Alegre environmental responsibility project, this collection of four boxes is inspired by the canopic jars used in the Egyptian mummification ritual. Animals in danger of extinction, from four continents, top a decoration that symbolizes the purity of wildlife and the negative action of humanity on the environment. Endangered is more than a compliment to the beauty of these animals: part of the profits goes to an institution dedicated to their protection.
