

Unica Case with Saturno Centerpiece

sku: 48003476

In an innovative play of colors, shapes, and textures, the pieces of this unique set display a free form. A mold has not been used in production and several artistic techniques of working clear crystal and colored glass have been combined. Bringing together traditional expertise and contemporary aesthetics, Unica was only made possible thanks to the collaboration of the designers with the master glassmaker.

Rose Pink Centerpiece

Made in Portugal

Size: 4.7"H x 18.11W
