Graccioza Bathrobe

Material: 100% Cotton

Made in Portugal

Do not wring, bleach, iron, dry clean or heat dry over a radiator. After drying, shake it thoroughly once or twice to regain and fluff the pile. When washing a natural fiber for the first time, some fibers can be lost, so it's advisable for you to clean the fluff-filter and drum of your machine. The initial fluff residue is reduced considerably with use and wash. Machine wash 30°C. Tumble dry, normal.
