sku: 32920-110

Behold a striking way to showcase, organize, and store your knives. With a broad surface area that fits up to 7 knives, its powerful hidden magnets securely and safely hold each blade in place. Keep your favorites within reach for faster, easier prep work. Equally elegant and durable, this magnetic knife block will grace your countertops for many years to come. It is crafted from natural bamboo, a beautiful, durable wood that resists water penetration, staining, and knife scarring. Along with its slot-less design - which prevents the blade-damaging bacteria growth that can occur in knife block slots - the MIYABI Bamboo Magnetic Easel is exceptionally hygienic for a healthier kitchen.
