sku: HGAF311

The Swing adjustable stool embraces an innovative modernist aesthetic, the result a strikingly unique bar stool. The design is highlighted by a singular sweeping ark of polished chrome incorporating seat back, foot rest and a comfortable padded seat. The hydraulic lift adjustable stool with fixed foot rest provides a full range of flexible applications. Pivoting 360 degrees, the Swing adjusts up and down with the simple squeeze of a discreet hand lever placed within easy reach under the bar seat, accommodating bar height, counter and dining positions. Smart, elegant, adjustable.
