

## Ornament Dessert Plate

sku: 21111684

*The Ornament porcelain dinnerware collection was inspired by the crown moulding of the Vista Alegre Palace and features ornate white on white relief. Inspired by classical architecture but also gives a nod to midcentury modernism with its clean lines. A wonderful white collection to start your new life with that is anything but boring.*

*Porcelain Dinnerware*

*Height 22mm x Length 229mm*

*Made in Portugal*

*Wedding Registry Recommended Collection*
