

Ornament Dinner Plate

sku: 21111682

The Ornament porcelain dinnerware collection was inspired by the crown moulding of the Vista Alegre Palace and features ornate white on white relief. Inspired by classical architecture but also gives a nod to midcentury modernism with its clean lines. A wonderful white collection to start your new life with that is anything but boring.

Porcelain Dinnerware

Height 25 mm x Length 281 mm

Made in Portugal

Wedding Registry Recommended Collection
