

Baree Press Filter Coffee Maker in Silver

sku: BM12/8

Press filter coffee maker or infuser in 18/10 stainless steel and heat resistant glass. 8 cups. Designed by Michel Boucquillon and Donia Maaoui. The designers drew their inspiration from their home, Casa Boucquillon: a place for experimentation, meditation and work where they live in sync with nature. The perforated pattern of the "Bark" range recalls the bark on the trees around the house. The press filter coffee maker allows the preparation of coffee with a particular taste, ideal for those who appreciate brewed coffee that is long but intense.
