sku: 21132219

Inspired by patterns from Portuguese cobblestone pavements, this collection created by the designer Manoela Medeiros is a special tribute to Lisbon. Each piece has a pattern representing the several routes throughout the Portuguese capital. A collection which started with four coffee cups and that now extends to a charismatic set of table accessories: tart tray, cake stand, set of dessert plates and sugar box. Collection award winning with Red Dot Design Award 2017 and German Design Award 2018.
