Hudson Valley Lighting Fulton Sconce - Satin Nickel & Opal Matte

sku: 1821-SN

Set against the smooth expanse of backplate, Fulton's fluted lamp holder provides pleasing contrast. The impression made by this vertical fluting depends on which of our attractive finishes you choose. When swathed in Polished Nickel, Fulton gleams with glamour. Satin Nickel, on the other hand, gives it a subdued and muted elegance. Old Bronze suggests a more rustic setting.
