

Vivien Literature Holder - Brass & White

sku: JB9.90129

When it comes to mixing metals, the Thistle Decorative Bowl eloquently masters the look. This polished aluminum bowl atop a polished brass stand is not your everyday fruit bowl. The curvilinear design of the bowl paired with the clean lines of the stand create dimensional art for any table. Styled with the Julia Buckingham Bella Grapes, Grape Cluster Collection, or a handful of our Oxford Jewels is just a start to what is possible with this imaginative bowl and stand!
