

Austin Scotty Square End Table - Brown

sku: 572802

Juxtaposing refined forms with rustic wood, the pieces of Austin update traditional European silhouettes with honest materials, casual finishes, and fresh details. Poplar solids and veneers in a pure, no-sheen Khaki finish anchor Austin, which also includes select pieces in a painted Black Denim finish. Rustic planked tops, sinuous shaping, turned posts, distressed bronze metal and simple bun feet define many pieces, while other feature sleeker – even Modern – styling. Touches of gray cotton velvet, Belgian linen, glass and bluestone add personality. Hardware includes oiled bronze bail pulls, drop pendants, and cup pulls. Sitting at your great-grandmother's table – scattered now with one child's art project, another's abandoned homework, and your laptop – reminds you that the past forms the present and vice versa. Devoid of fussy details or flashy styling, you love that your home feels real. You value its Austin.
