Hudson Valley Lighting Garfield Picture Lamp - Polished Nickel & Clear Etched

sku: 8124-PN

Picture lights need to bring out the best in the art they illuminate. Our Garfield's industrial-chic perforated-metal shade is outfitted with an LED bulb which renders colors almost as well as daylight. The ideal picture light doesn't steal the show from what it's illuminating, but adds character and intrigue to a room. Garfield's size, shape, and finish all achieve exactly that effect.
