Hudson Valley Lighting Allendale 6-Bulb Chandelier - Aged Brass

sku: 3206-AGB

Allendale repurposes the rustic, offering a few variations on an enduring primitive chandelier form. In ring or rectangle, Allendale presents this form as cleanly as possible, with minor sphere details added at the holder, along the hook-and-rod arms, and beneath the bobeches for contrast. In our usual fashion, the piece is uniform in finish, except for our Old Bronze offering, which adds Aged Brass accents along the ball details beneath the bobeches and in the middle of each arm.
