

Plisse Electric Kettle Small - Black

sku: MDL06/1BUS

Designed by Michele De Lucchi, the Plissé kettle combines functional aspects with a plastic and fascinating design that reveals the creator's architectural background, as well as his passion for the handicraft and for sculpture. Like a fabric that a thick pleating transforms into a three-dimensional shape, this kettle is reminiscent of an haute couture dress, a beautiful object to be left on display on your kitchen top.
