

## Plisse Electric Large Kettle - Available in 4 Colors

sku: MDL06W/USA

*Designed by Michele De Lucchi, the Plissé kettle combines functional aspects with a plastic and fascinating design that reveals the creator's architectural background, as well as his passion for the handicraft and for sculpture. Like a fabric that a thick pleating transforms into a three-dimensional shape, this kettle is reminiscent of an haute couture dress, a beautiful object to be left on display on your kitchen top.*
