

Hudson Valley Lighting Abrams 2-Bulb Sconce - Polished Nickel

sku: 8812-PN

A stark work of minimalist sophistication, Abrams mounts elongated candlesticks of finely finished metal into wide black cross-pieces. These monolithic, textured black arms form a striking juxtaposition with the smooth, round candlesticks. Each arm, both on sconce and chandelier, contains a socket on either side. An exposed carbon-filament bulb is the natural choice for lamping, rounding the piece out.
