

Parsifal Table Lamp - Brass

sku: PNY-800-803

With its monochromatic metallic finishes, it's no wonder where our Parsifal Lamp gets its name. Bold brassy tones from its base to its shade make it an immediately eye-catching accent piece, but a closer look reveals meticulous detailing that speaks to the Parsifal's unique charm and quality construction. Our craftsmen have managed to make solid brass appear like lightly draped fabric, complete with delicate rippling and the illusion of stitched seams. The result is a pillowy profile that seems to defy the elements. Subtle antiquing provides extra dimension, and gives it the air of a rare vintage find. Topped with a matching brass shade, this lamp shines in more ways than one.
