

Sajid Table Lamp - Navy Blue

sku: TAO-800-208

The Sajid Lamp is a lighting accent that's made to be treasured. Its elegant profile is steeped in tradition, nodding to the shape of the ancient Chinese "Gu" vessels of the Shang and Zhou dynasties. Realized in beautiful Blanc de Chine porcelain, our version features an updated silhouette with a flared top and base that meet at a rotund center, a detail that softens its elongated shape with rounded curves. The navy-blue porcelain is topped with a glazed finish, which adds delicate shine to complement the antique gold leaf accents of its base and finial. Pair it with a slightly tapered drum shade to create a classic look in a sitting room, bedroom, or study. Please note: lamp shades are sold separately.
