

Thalia Table Lamp - Lilac

sku: THA-800-110

The Thalia Lamp embraces classic luxury with a bit of whimsy thanks to its fresh pastel coloring, softening even the most traditional of decor schemes with a dash of springtime charm. Its silhouette is inspired by Chinese pottery, featuring a long, elegant neck which slopes down to meet its full-bodied lower half. The Thalia's graceful curves come to life in gorgeous, glazed porcelain, rendered by our expert artisans and finished with a glossy sheen that plays up its light lilac hue. Its simplified shape, which nods to the rotating vases that originated in the Qianlong Dynasty, reflects more modern tastes while a gold-leafed base and finial provide a treasure-like richness akin to an antique. Pair a set across two nightstands or on either end of a long console. The Thalia Lamp radiates cool and cozy wherever it stands. Top it off with one of our signature lamp shades, sold separately.
