

Keane Large Vase - Brass Finish

sku: VIT-710-803

If you're looking for decorative magic, look no further than the Keane Vases. This collection is comprised of two striking silhouettes: a round vase with a short neck and a round vase with a long neck. Both are hand made of solid brass and have a wide flaring mouth that is smooth and a hammered body which glitters in reflective light. Use them as an eye-catching highlight either as a matching pair or a contrasting pair.
