Romantica Chair - Brown

sku: 1015A

The Romantica Chair is a classic indoor dining or desk chair with exquisite fine woven details throughout the backrest and arms. The chair is a coveted choice for private homes and restaurants, as its unique design balances refinement and flair. Each piece is handcrafted and built to last, with the natural rattan beautifully on display. Rattan is strong, lightweight, flexible, and durable. Rattan is a natural climbing plant that grows in the Indonesian rainforest, without disturbing the existing structure and balance in the rainforest. Our skilled workers craft each piece of Rattan furniture by hand. Rattan frame will weather over time to a silvery patina and if the original natural rattan look is desired, rub with linseed oil.
