sku: 1057A

The Alanis Side Chair is an elegant update to Sika Design's most popular bistro chair, the Sofie chair. Taking Sofie's profile, this piece elevates the look with 100% woven rattan seat and bindings. This stackable dining chair will be an instant hit with those looking to decorate a retro cafe, bar, or restaurant. Rattan is strong, lightweight, flexible, and durable. Rattan is a natural climbing plant that grows in the Indonesian rainforest, without disturbing the existing structure and balance in the rainforest. Our skilled workers craft each piece of Rattan furniture by hand. Sika-Design holds the ISO 14001 certification which is the international standard for Environmental Responsibility.
