

Monet Rocking Chair - Natural

sku: 1081U

The Monet Rocking Chair is an inviting update to our bestselling Monet chair. Based on sketches from the 1950s and 1960s, this high-backed chair is designed for leisure. It is handcrafted from natural rattan and is built to last as long as its timeless design. Rattan is strong, lightweight, flexible, and durable. Rattan is a natural climbing plant that grows in the Indonesian rainforest, without disturbing the existing structure and balance in the rainforest. Our skilled workers craft each piece of Rattan furniture by hand. Rattan frame will weather over time to a silvery patina and if the original natural rattan look is desired, rub with linseed oil.
