

Monet Chair - Black

sku: 10825

The Monet Chair is our most popular high-backed chair and has the option of a foot stool. Based on drawings from the 1950s and 1960s, this chair is designed for comfort and style. It is handcrafted from natural rattan and is built to last as long as its timeless design. Rattan is strong, lightweight, flexible, and durable. Rattan is a natural climbing plant that grows in the Indonesian rainforest, without disturbing the existing structure and balance in the rainforest. Our skilled workers craft each piece of Rattan furniture by hand. Rattan frame will weather over time to a silvery patina and if the original natural rattan look is desired, rub with linseed oil.
