

Luis Bench - Brown

sku: 3055A

The Luis Bench is a versatile and eye-catching addition perfect for an entryway, bedroom or living area. Inspired by sketches from the 1950s and 1960s, the bench has timeless appeal. It is crafted by hand from all-natural rattan. Rattan is strong, lightweight, flexible, and durable. Rattan is a natural climbing plant that grows in the Indonesian rainforest, without disturbing the existing structure and balance in the rainforest. Our skilled workers craft each piece of Rattan furniture by hand. Rattan frame will weather over time to a silvery patina and if the original natural rattan look is desired, rub with linseed oil.
