Davinci Chair - Natural - Sunbrella Sailcloth Seagull Cushion

sku: KIT-1005U-32000-0023

The Davinci Chair's design is as elegant as it is comfortable. At the head of the table, behind a desk or as an accent chair, this regal piece provides all-around support with upright bars and arm rests. It is handcrafted from natural rattan and is built to last as long as its timeless design.

Rattan is strong, lightweight, flexible, and durable. Rattan is a natural climbing plant that grows in the Indonesian rainforest, without disturbing the existing structure and balance in the rainforest. Our skilled workers craft each piece of Rattan furniture by hand. Rattan frame will weather over time to a silvery patina and if the original natural rattan look is desired, rub with linseed oil.
