Caroline Rattan Chair - Natural - Sunbrella Sailcloth Seagull Seat and Back Cushion

sku: KIT-1026SU-YCR-32000-0023

The Caroline chair and sofa harken back to the styles of handmade furniture in the earliest Sika Design sketches and photographs. Their clean lines and minimalist aesthetic create a style that will last like the durable rattan from which they are crafted. Pair with seat and back cushions to create a cozy, timeless seating arrangement for your porch or sun room.

Rattan is strong, lightweight, flexible, and durable. Rattan is a natural climbing plant that grows in the Indonesian rainforest, without disturbing the existing structure and balance in the rainforest. Our skilled workers craft each piece of Rattan furniture by hand. Rattan frame will weather over time to a silvery patina and if the original natural rattan look is desired, rub with linseed oil. Sika-Design holds the ISO 14001 certification which is the international standard for Environmental Responsibility.
