sku: KIT-ND-14-CU-YCR-32000-0023

Our Icons collection revitalizes iconic pieces of furniture from some of Europe's most important architects and designers. Nanna Ditzel was renowned for fusing practicality with comfort and elegance, designing pieces that she herself would use. Designed in 1951 with a feminine and functional aesthetic, the Madame Chair is a prime example of Ditzel's work. Each chair is handmade using the finest Malacca cane rattan. Rattan frame will weather over time to a silvery patina and if the original natural rattan look is desired, rub with linseed oil. Iconic designs to be a decorative piece in almost any décor.
