

## Nanny Rocking Chair - Natural

sku: ND-15-SU

Nanna Ditzel briefly studied under the leading Danish furniture designer Kaare Klint at the Royal Danish Academy of Fine Arts furniture school, and that experience informed the Nanny Rocking Chair. Designed in 1969, this innovative piece is among the first to reflect the concept of a chair without legs, and its signature curves evoke femininity, fluidity and movement. Each chair is handmade using the finest Malacca cane rattan. Rattan is strong, lightweight, flexible, and durable. Rattan is a natural climbing plant that grows in the Indonesian rainforest, without disturbing the existing structure and balance in the rainforest. Iconic designs to be a decorative piece in almost any décor. Sika-Design holds the ISO 14001 certification which is the international standard for Environmental Responsibility.
