

Wengler Chair - Polished Natural

sku: WG-12-PU

Robert Wengler perfected the fine craftsmanship of rattan furniture-making and was known for challenging his materials in new ways. With its unique pattern and signature curves, the eponymous Robert Wengler Chair is a testament both to Wengler's skill and the inimitable quality of the rattan he used. Wengler's dining chair was designed by Robert Wengler in 1902 and is today one of the pioneers in the rattan production. The chair is a part of the ICONS collection. ICONS is a series of furniture icons from known designers and architects. It is possible to purchase a cushion to the chair.

Each chair is handmade using the finest Malacca cane rattan. Rattan is strong, lightweight, flexible, and durable. Rattan is a natural climbing plant that grows in the Indonesian rainforest, without disturbing the existing structure and balance in the rainforest. Iconic designs to be a decorative piece in almost any décor. Sika-Design holds the ISO 14001 certification which is the international standard for Environmental Responsibility.
