

## Four Hands Vernon Outdoor Stool - Weathered Grey Teak

sku: 102424-002

*Inspired by West African design, an outdoor-friendly stool made from solid aged teak flaunts natural knots, holes and graining reflective of materials' rich roots. Wood texture, color and graining will vary from piece to piece, and surfaces will naturally range in height up to one inch - again speaking to teak's beautifully organic nature. Cover or store inside during inclement weather and when not in use.*
